Butler House Christmas Garden Experience

Our Garden transforms at dusk as light installations come to life. Kids will love the toy soldiers, reindeer and the frosty winter pond at the heart of the garden complete with our new Butler House Express miniature Train. Take an “Elfie” with friends in Santa’s sleigh or meet the big man himself in his outdoor grotto. The Glittering trees will lead you to our Christmas Post Office where you will find Santa has left a magic post-box for all his letters that go straight to the north pole. So, come visit this unique destination in our secluded walled garden, enjoy festive fare, music and take some time away from the crowds to soak up a magical Christmas atmosphere in the very heart of Kilkenny.
